

THE WORSHIPFUL COMPANY OF FARRIERS

CONDITIONS GOVERNING BEST SHOD HORSE AWARDS 2014

- Judges for the best shod horse, pony and heavy horse classes must be selected from the Company's current Approved Judges list. The Company reserves the right to withhold awards if the judge appointed is not on the Company's current appropriate Approved Judges list.
- The Company may, if it so wishes, appoint any Liveryman of the Company who is either a Registered Farrier or a suitably qualified Veterinary Surgeon to judge its awards.
- Event organisers must agree with the Company the classes to be judged, by completion and return of the Application Form.
- The judge has the power to withhold an award if, in his opinion, the standard is not sufficiently high.
- Where a large number of horses/classes come forward for judging, the judge has the right to judge one front foot only from each horse

It is particularly requested that Best Shod Awards are presented in the ring, along with appropriate p.a. commentary – the Awards Secretary will be pleased to provide script notes.
